

## Consumer Data Protection

At Asian Bank, we recognize our obligation to keep information about you confidential and secure, and are committed to protecting your privacy.

We want you to understand what information we collect and how we use it. In addition, we feel it is important for you to understand how we keep your information secure.

### Asian Bank's Commitment to You

Keeping your financial information secure is one of our most important responsibilities. We value your trust, and recognize the importance of handling information about you with care. We hold our employees to strict standards of conduct to ensure the confidentiality of customer information. We restrict access to nonpublic personal information about you to those persons who need to know that information in order to service your account or provide you with products and services.

We protect personal information we collect about you by maintaining physical, electronic and procedural safeguards that comply with federal standards to guard your nonpublic personal information.

Third parties who have access to personal information must agree to follow appropriate standards of security and confidentiality. We require those companies we do business with to safeguard customer information and to use it only for the purpose it was provided.

### Visitors to Our Website

When you access our website, we may place small data files called "cookies" on your computer. Cookies allow us to provide you with a more customized service and enable certain functions on the web site. You may opt out by blocking, deleting or disabling cookies by changing the settings on your browser. However, rejecting cookies may prevent you from using certain functions of the website, including improved security.

### Sharing of Information

We do not disclose nonpublic personal information about our customers to nonaffiliated third parties except as set forth in the bank's [privacy notice](#) or as permitted by law.

Asian Bank carefully limits what type of information we share and with whom the information is shared. The information we share allows us to provide better service and enables us to continue to offer you a broad range of financial products and services as effectively and conveniently as possible.

### **Keeping Up-To-Date with Our Privacy Notice**

Asian Bank will provide information of our privacy notice annually, as long as you maintain an on-going relationship with us. This privacy notice may change from time to time, but you can always review our current privacy notice on our website or contact us for a copy at 215.592.1188.
